

We had a LOT of event activity in April and May, a welcome change from all of the cancellations we've experienced over the past year (Thanks a lot, COVID). Here's a lot of pictures to commemorate!

## Jenks Trojan Aquatic Center (the NEW pool) celebrates 10 years!

We said goodbye to our fearless leader, David Herrold (but then he showed up at Saturday practice) as he and his family embark on a new adventure in Dallas. He's still our prez and we welcomed the chance to bring back the tradition of Georges' burgers 'n beers after practice.

## IRONMAN Fever Hits Tulsa!

The first IRONMAN since COVID shut everything down was held right here in Tulsa. The week leading up to the event brought several athletes to JTAC for training. More than 2,600 athletes started the race on May 23rd. TMSC showed its support for the event by volunteering along the route and we supported our athletes by tracking them virtually throughout their journey.

**Congratulations to our current and past TMSC members:**

**Max Harris, Kevin Hayes (Debbie Hayes' son),  
Matt Bacon and Nicole Mason!**

Max Harris ready to go!

Rich Brown and Lisa Ruffin on the water early for kayak support.

## 13TH ANNUAL TALLCHIEF IS ON!

Block the date, September 19th, and get the word out, the 13th Annual Tallchief Open Water Challenge at Zink Ranch is a go! We began in 2008 with only 30 swimmers. In 2019, we sold out well ahead of our event and with the success of Ironman Tulsa, we expect another great crowd in 2021!

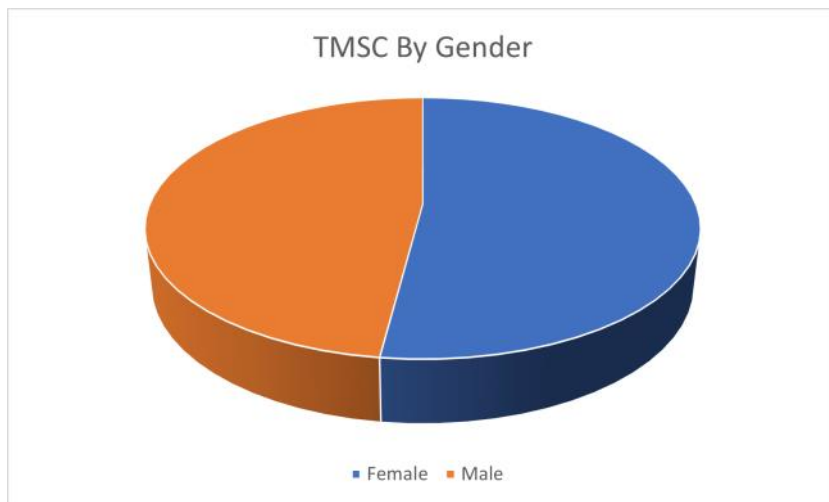

To our club members—we hope everyone will swim, but if open water isn't your deal, we will need plenty of volunteers to help pull off this fun event. Reach out to Leslie Moon or Denise Smart if you want to help!
